PLEASE READ RULES AND SIGN

We will contact you once we begin your project to verify all information before we start. At this time final price will be confirmed. Please understand turnaround times can be 2 or more weeks.

Custom work can only be cancelled and firearms returned if we haven't begun work on it (this includes projects sent with blank or incomplete work order forms), and will be subject to a \$20 cancellation fee (plus return shipping, if applicable). Once work commences on a project (usually within 2 weeks of arrival), it cannot be cancelled; however, you can request to have certain extra-cost options eliminated (if possible) so as to reduce the final invoice total.

We do our best to accommodate work order change requests when possible. However, change requests will usually delay your project, as we have to move it into a different group. Also, due to how we divide the projects into groups and work on them in stages until completion, we might be past the stage where we can implement any changes. So, try to submit any change requests as soon as possible.

Full Payment for all services must be paid upon completion (Before Shipping), there is a **50% deposit** for all projects whose total pricing is over **\$100**. There is a **\$25** minimum on every order.

There will be a **\$25-\$75** labor charge added to cover any minor repairs and disassembly and reassembly of each firearm.

Failure to provide a copy of the required ID documentation (FFL or Driver's License) and/or a signed copy of the Waiver/Liability Release in the box with the gun when it is shipped will result in your project being delayed until we receive those items, and will also result in a **\$25** administrative fee added to your work total.

Abandoned Project Policy ** Firearms or Other Non-Firearms Related Items not claimed after 30 days of work being done or Canceled, will incur a storage fee of **\$25** a month and will be deemed abandoned after 6 months and become the sole property of Bulldog Hydrographics and Firearms,LLC.
